

UNDERSTAND YOUR FINANCIAL OPTIONS

COMMUNITY BANKING AND CRYPTOCURRENCY ARE FINANCIAL
TOOLS WITH DIFFERENT PURPOSES, PROTECTIONS, AND RISKS.

SEE THE DIFFERENCE

COMMUNITY BANK DEPOSITS

- MAY BE FDIC INSURED UP TO APPLICABLE LIMITS
- HELP SUPPORT LOANS FOR LOCAL HOMES, BUSINESSES, AND FARMS
- COME WITH TRUSTED, LOCAL GUIDANCE FROM YOUR COMMUNITY BANKER

CRYPTOCURRENCY

- IS NOT FDIC INSURED
- DOES NOT DIRECTLY SUPPORT COMMUNITY BANK LENDING
- GUIDANCE AND SUPPORT CAN VARY BY EXCHANGE OR PLATFORM

UNDERSTANDING THESE DIFFERENCES CAN HELP YOU MAKE
INFORMED FINANCIAL DECISIONS THAT FIT YOUR GOALS.
